PROJECTS

Spotify Clone Web-page - Front-End Project link
- Conceptualized and implemented a responsive Spotify-inspired webpage
- Implemented a user-friendly navigation system for songs, enabling users to select and navigate to their favorite songs easily
- Integrated an audio player with play/pause functionality, time progress tracking, and a customizable progress bar for better control over music playback

A Tourism Website - Front-End Project link
- Developed a user-friendly website for tourist destinations in India and abroad, including travel and booking details
- Implemented responsive web pages using HTML, CSS, and JavaScript ensuring optimal user experience and interactivity
- Utilized JavaScript to implement dynamic effects, enhance user interactions, and create a more engaging browsing experience

City Skyline - CSS Project link
- Implemented a responsive city skyline using HTML and CSS. Utilized CSS variables to allow easy customization of building and window colors, showcasing flexibility in design choices
- Employed Flexbox layout for both background and foreground buildings, streamlining the structure and alignment of elements within each building
- Created a dynamic transition from a daytime to nighttime city skyline as the screen size is reduced

RANKINGS

Rank 1519 in Codeforces Round 952
Rank 2660 in Leetcode Weekly Contest 410
Global Rank 469 in CodeChef Starters 144 Division 2
Rank 3775 in Codeforces Round 960

CODING PROFILE LINKS

Leetcode(600+ solved Q.s)	kartik_sa
Codeforces	Kartik_Saraswat
CodeChef	kartik_sa
GeeksforGeeks	kartik_31

TECHNICAL SKILLS

Core	Data Structures and Algorithms, OOPS, Operating Systems, Computer Networks, DBMS, SQL
Languages	C++, Java, JavaScript, Python, C
Technologies	HTML, CSS, GitHub, Git

ACHIEVEMENTS

AIR 7609 in JEE-MAIN 2022
AIR 423 in KVPY-SA 2020

EDUCATION

2022 - 2026	B.Tech at National Institute of Technology Kurukshetra	(GPA 3rd Sem: 9.45/10.0)
2022	Class 12th Indore Public School Eastern Campus	(95.8%)
2020	Class 10th St. Mary's Convent S.S. School	(97.4%)
